JFKMEMORANDUM FOR: Director
Federal Bureau of Investigation
Attention: Mr. S. J. PapichSUBJECT: "GARRISON and the Kennedy Assassination:
Bernard FENSTERWALD et al."1. A Washington UPI dispatch of 3 January 1969 reads
as follows:

Washington -- New Orleans District Attorney Jim Garrison
is one of seven board members of a new national committee
to investigate assassinations which is being formed here.

Bernard Fensterwald, 47, of Arlington, Va., another
board member, said the committee's purpose is "To embarrass
or force the government to make investigations they have
been putting off since Nov. 22, 1963."

That was the date of President Kennedy's assassination
in Dallas.

Fensterwald, who said he was setting up an office which
would open in a week, left the senate earlier this week after
12 years as counsel for several committees.

"The committee will concentrate on the three best known
assassinations -- President Kennedy, Senator Robert Kennedy
and Dr. Martin Luther King -- but will leave its options open
on some other rather mysterious deaths," he said.

"Our position is there was a conspiracy in Dallas, there were strong footprints of a conspiracy in Memphis where
Dr. King was shot and nobody really knows much about what
went on in Los Angeles (where Senator Kennedy was slain)
but we intend to look."

He said the committee hoped to find private financial support to hire a professional staff for its investigations.

Other board members, said Fensterwald, include Bill Turner of San Francisco, a former FBI agent; Richard Sprague of Hartsdale, N. Y., a computer expert; Fred J. Cook, Englewood, N.J., author; Lloyd Tupling, associated with the Sierra Club here, and Paris Flammonde, a New York writer who will have a book out next week on assassinations.

Eight more board members will be named later, Fensterwald said.

2. William Turner and Fred J. Cook are well known to you. Paris Flammonde appears in the January 1969 issue of Evergreen as the author of an article entitled "Why President Kennedy Was Killed". His book The Kennedy Conspiracy has been published by Meredith Press, New York. The dust cover of the book states that Flammonde was for many years the producer of the Long John Nebel radio show. We have no record of him.

3. Reference is made to your memorandum, New York office, 24 August 1956, subject: Blanche Fensterwald, also known as: Mrs. Bernard Fensterwald. We should be grateful if you can determine whether the Bernard Fensterwald who appears in this report is identical with the 47 year old Bernard Fensterwald cited in the UPI dispatch. If so, any additional information is also requested.

4. Our records show that Richard Sprague, a management consultant and photographic researcher, appeared in a New York Times article of 24 May 1968 in which he claimed that within an hour of the assassination of President Kennedy three men may have been pulled off freight cars in a railroad yard near Dealy Plaza. We have no further identifiable record of him. We also have no record of Lloyd Tupling. We should be grateful for any further information about Sprague, Tupling, or Flammonde.
